

Clothes for Kids

Winter Boots and Snowsuit Application 2023

Clothes for Kids

Rural Frontenac Community Services wants all children aged 0-18 in Rural Frontenac to have a warm coat for the winter. Clothes for Kids is intended to support families who otherwise may be or are unable to purchase snow boots and snowsuits. Families must be referred to Rural Frontenac Community Services to receive snow boots or snowsuits from this program. Referrals may come from your children's school, doctor, church, or other organization.

Warm Feet Project

Rural Frontenac Community Services receives funding from United Way to provide boots for children in rural Frontenac. Rural Frontenac Community Services cannot guarantee enough boots for all requests, but will work hard to fill all requests. Families will be notified when boots are ready for pick-up.

Snowsuits

Please note that this year Corus has made significant changes to the availability of snowsuits. As such, Rural Frontenac C.S. will be working with our local schools in North and Central Frontenac to try to fill as many requests as possible.

Corus provides snowsuits for children between sizes 3T and 16 youth. For school aged children please contact the child's school to order snowsuits. We understand that this leaves a gap for youth outside those sizes. Rural Frontenac Community Services through donations works to provide children and youth outside the Corus size range with winter coats.

- Rural Frontenac Community Services cannot guarantee enough funds for snowsuits will be raised, but will work hard to fill all requests.
- The size you order will be the size you receive. Please review the chart attached to ensure you request the proper size.
- Rural Frontenac Community Services is unable to fulfill requests of colour and style.
- Younger sizes (up to size 2) may be limited to one-piece suits.
- Snowsuits and coats may be gently used.
- Families will be notified when snowsuits are available for pick up.

Applications are due no later than October 17, 2023 by 4:00 pm.

Please submit completed applications by drop off to The Child Centre (1004 Art Duffy Rd) or by email to youth@rfcs.ca. If you have any questions or concerns regarding the Clothes for Kids program please do not hesitate to contact Sarah McCullough (RFCS), Youth Program Supervisor at 613-279-3151 ext. 305 or email sarahm@rfcs.ca
